ONLY JESUS EVANGELICAL TEAM WORLDWIDE (OJETWORLDWIDE) MINISTERIAL EXPLOIT QUARTERLY REPORTS

From the Desk of the President

I want to sincerely appreciate all members and partners of ojetworldwide for supporting the course of the gospel through the platform of ojetworldwide. We are blessed to have received this glorious vision of spreading the word of God throughout the world. As we know, we have so much to do in this end time. The admonition of Paul to us is that we should ***preach the word! Be ready in season and out of season. Convince, rebuke, exhort, with all longsuffering and teaching. 2Timothy 4:2.*** Therefore, I beseech you, brethren, to keep working hard to spread the gospel of Christ. Let the word of

God be known through you. Share the word in person, virtually and through social media platforms. ***The earnest expectation of the whole world is the manifestation of the sons of God-Romans 8:19***

Please find time to go through the report for the first quarter of the year 2022. Thank you for your hard work. The Lord will continue to bless and prosper you.

Thank you all for keeping the vision alive!

Your Team Lead,

**Dr Stephen Ayosanmi

We appreciate God for the beginning of the year 2022 as the Lord has helped us to scale through the year 2021 and with the help of the Holy Spirit in achieving our goals for the year 2021 and to start the new year with the vision of bringing more souls to the kingdom of the Highest.

In the month of January, almost all writers were faithful to their submission and dates except 3 writers as such, 3 write-ups were not published, 2 blog posts and 1 weekly devotional.

Bible Study Monthly Report

January

The Bible Study session was an interesting one via the telegram audio space as we could listen to one another and contribute with the **Topic: Asking God's leading in confusion** held on January 29th. There was a low turn-out in the Bible Study in the month of January, 7 participants attended the meeting out of 40 members that are on the group platform, and 2 persons gave feedback after listening to the audio recorded message.

February

The Bible Study session was an interesting one via the telegram audio space, as we can listen to one another and contribute though the supposed speaker of the meeting was not available and the Bible Study coordinator stood in gap with the **Topic: Recalling Past Victories** held on February 26th. We had 2 new members that joined the platform whereby 1 attended the meeting. There was also a low turn-out in the Bible Study session, 9 participants attended the meeting out of 42 members that are on the group platform without feedback from anyone after the audio message was dropped.

Someone raised a complaint of finding it difficult to join in the audio session and as such, dropped from the meeting.

March

The Bible Study session was an interesting one via the telegram audio space as we could listen to one another and as well contribute to the **Topic: The Danger of Failing the Obedience Test** held on March 26th. There were about 11 participants during the Bible Study in the month of march out of 42 members that are on the group platform.
