**MINISTERIAL EXPLOIT
QUARTERLY REPORTS**

REPORT FOR THE SECOND QUARTER IN THE YEAR 2022.

From the Desk of the President

On behalf of the entire directors of ojetworldwide, I want to appreciate all team members and partners for the unflinching support given to the work of the ministry. My admonition is in accordance to the book of

Romans 12:11 – Be enthusiastic to serve the Lord, keeping your passion toward him boiling hot! Radiate with the glow of the Holy Spirit and let him fill you with excitement as you serve him. Let this hope burst forth within you, releasing a continual joy. Don't give up in a time of trouble, but commune with God at all times. TPT: The Passion Translation

Therefore, let us continue to be zealous to serve the Lord. Let our passion for the Lord continue boiling hot. Our lives should radiate with the glow of the Holy Spirit who should fill our excitement as we serve him. We must not give up in trying times but continue to commune with God.

I pray that God's unlimited grace will continue to abide with us all.

Thank you for serving the master Jesus on our platform.

Two inmates serving jail terms at the Nigerian Prison service who read our Devotional for Inmates while in the prison reached out to us to share the testimonies of their freedom from prison and the salvation of their souls. They called our Nigerian coordinator to share their testimonies and solicited prayers for spiritual establishment and life transformation. Praise God!

UPCOMING PROJECT

1. Bible study manual for start-up and growing churches – ojetworldwide has been working on the production of Bible study manual for start-up and growing churches in Nigeria. This manual will assist the churches to feed their members with the word of God and encourage spiritual growth. We anticipate that by the end of the 3rd quarter of the year we will complete the collation of the materials while by the last quarter of the year we will have a downloadable Pdf format of the manual on our website. It is our prayer that God will release financial support so that we can print out these manuals and give them to churches that will request printed copies from January next year.
2. Devotional for Seniors – we started working on a devotional for seniors last year. By the grace of God, the writing and editing of the devotional for seniors will be concluded in the third quarter of the year. We anticipate that we will commence printing the devotional by the last quarter of the year. Donations are welcome for the printing of this devotional that will be distributed freely to seniors in nursing homes across the world.
