## **Care to listen...?**

George: God's love is so real. Tina: How do you know that God loves you? George: Because He said so. Tina: How do you know that He said so? George: Because I care to listen when He speaks.

od loves you so much that he wants to live with you forever. God says, Come with me, let me come with you, let me live in you and you in me, let me be a part of you and you a part of me. YES He loves you this much. Do not believe the lie that God doesn't exist. If He didn't exist, you wouldn't exist. Today, do yourself a great favor of believing in the one who knows more about you than you know yourself-because He is your manufacturer. All that is required of you is to believe today that Jesus, the son of God, came to earth to reconcile you to God so that you will be a part of God's kingdom. The son of God, Jesus died so that you will live forever. He wouldn't do all this if He didn't love you. We are really concerned about how we live in this world, but God is so much more concerned about where we live during the infinite number of years in eternity!

Therefore, secure your eternity by believing and confessing Jesus as your Lord and Savior today! Talk to Him, just as you are!

Lord Jesus, I accept you as my Lord and Savior today, I believe you are the son of God who died to reconcile me back to God. I confess that I am a sinner and pray that you forgive my sins and cleanse me with your precious blood. I ask you God to be my father henceforth and give me your holy spirit so that I will live my life for you and partake in your eternal life. I ask all this through Jesus Christ my Lord (Amen).
