FREE HEALTH

Please do not throw this tract away, share with others

Dear friend, what is the diagnosis of your illness? What says the doctor's report? how much is your hospital bill?

While you

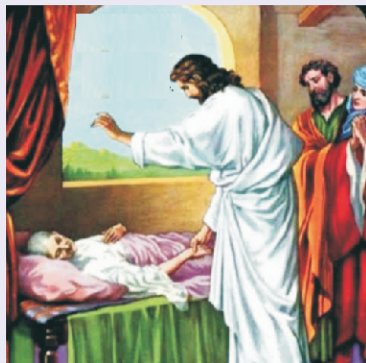

ponder on the answers to my questions. I have a good news for you.

There is a consultant Physician who is skillful in all fields of medicine. He also specializes in surgical

practices. Testimonies abound of his successful works. He is a miracle worker!

About 2000 years ago, there was a report about this great Physician that *he went about healing all manner of sickness and all manner of diseases among the people* (Matt 4:23-25).

The good news is that He still does wonderful works of healing today, and He does it free of charge.

HOW TO GET THE FREE HEALTH

The most exciting aspect of the good news is that it is easy to get the free health. Jesus

Christ is the greatest Physician I am talking about. He is the best doctor ever lived, He is not bordered by the diagnosis of your ailment. He heals all manners of diseases and delivers from all forms of cancer, HIV/AIDS and several terminal diseases that had claimed many lives. He beckons to all under the yoke of sickness to come unto me all ye that are

labour and are heavy laden and I will give you rest"

Matt 11:28. He is friendly that is why He said *all that the father giveth me shall come to me; and him that cometh to me I will in no wise cast out* (John 6:37).

To access the free health, all you need is to accept Jesus as your Lord and saviour. What does this means? It means to believe in Him as the only son of God and saviour of mankind and repent of your sins. Trust him for your salvation and healing.

Then, call upon him and he shall surely deliver you.
