Experiencing

Prison Break

Please do not throw this tract away, share with others

Dear friend, permit me to share my Prison Break Experience with you and your life will never remain the same.

I lived a miserable life and committed many crimes. I know it was right to sentence an armed robber and a murderer like me to life jail. The only regret I had was my rejection of Christ who my mother preached to me several times.

In the prison, I thought all hope had gone. I was not only in the physical Jail, but also imprisoned by my innumerable sins. I woke up everyday as a condemned man until that fateful day when my story changed.

I was just beaten by a fellow senior prisoner when some preacher came in to our cell. They gave us tracts and some gifts. I reluctantly took one of the tracts and read. A passage in John 3:17 touched my life:

God did not send his son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son.

As I read this passage, I felt a light shining into my heart. ***Lord I believe in you*** was the next statement that came out of my mouth while I found myself on my knees pleading for forgiveness of my sins. After this moment, I was free from all guilt in my mind. I felt like a new man.

I shared this experience with one of the Evangelists who visited us and he strengthened my feet in the Lord.

YOU COULD EXPERIENCE A PRISON BREAK.

My prison break experience didn't start on the day I got out of the prison but on the day I became free of my sins. The Lord later took me out of the prison miraculously when the new government declared some inmates free including me and some of my friends in the prison fellowship.

You can have this similar experience while you are still in this prison. All I did was to believe in the Lord Jesus Christ who promised not to condemn me but to save me.

Jesus came for you, not minding the degree of your sins. I never thought He could forgive me because of my great iniquities. He, in His infinite mercy forgave all and promised not to remember them again. If Jesus could save me and transform my life, I am sure He will definitely save you.

Sin puts one in prison and torments the soul of its victim more than the torments being given in the physical jail. Accepting Jesus as your saviour is the only way to experience prison break. You will be out of the Prison of sin as soon as you tell Jesus ***Lord I believe you, come into my life.*** Good enough, Jesus will not hesitate, He will come into your heart and save you immediately.
