Would
YOU
be my lover?

A message of love
from your eternal lover

I have done so much because of my love for you.

First, I left my glorious throne to get your attention. You probably didn't know that it was me. Yet. I didn't stop without finding out how much sacrifice I could pay to express my love for you. Did you hear about the wicked plot? Yes, it was true that Satan hated our relationship and thought by plotting for my death, I could stop loving you. They arrested me and gave me the worse punishment ever. What was my wrong? Nothing but my love for you. I was sentenced to death as planned by the enemy to keep me away from you. Nevertheless, death could not stop me. I triumphantly returned to my throne and prepared a mansion for you. I made all necessary plans for you and me to be together in eternal bliss. However, you still didn't know how much I love you. **What else could I do to get your attention? How could I get your love just as I love you?**

Loving me as I love you will give you all you ever desire in this world and eternity. So, I am asking you again and again, **would you be my lover?** If you say yes, it will be the beginning of a new life.

I mean a life full of happiness and everlasting joy. I will fight your battle, and you will never be ashamed. Please reply to me as soon as you read my message.

**With love from me, your eternal lover,
Jesus Christ, the saviour of the world
(John 3:16, 1John 3:16)**

This message is written out of the inspiration of the Holy Spirit.

To say yes to Jesus, kindly say these words:

Lord Jesus, thank you for your love for me; I accept you today as my Lord and saviour. I will forever show you, my love. Please help me to keep a good relationship with you. Amen.

Welcome to a life of peace and joy in Christ!
